TREES

FOREWORD

Trees are as people full of vitality ever reaching upward, clinging tenaciously to life, varying in qualities, but all experiencing the pulsation of being. In their straining upward for sunshine, they personify the American belief in achieving success over all obstacles.

" 'Tis education forms the common mind; Just as the twig is bent, the tree's inclined."

GRA ACTIVITIES

"A Visit From Santa" project.

The fifteen high-point girls

During the 1961-1962 school year GRA had many activities. Among these were the playdays, including the home basketball playday, the kick-off Fun Day, a fund-raising project, "A Visit From Santa," an Awards Assembly, a board trip to the snow, and an all-member ice skating field trip. GRA activities came to a climax at the annual GRA Banquet, the theme of which was Las Vegas.

What's so funny
Arlene?

After 1967 CHS year is back. Many on the cheer squad (all) have heard and know it. We are sure that they will never be asked to have their name mentioned in any way on the cheer squad.

Our first basketball sport basketball did not bring many victories, but with the help of Mr. Honora Jim Swartz, Honorary Head Coach, Captain/Outstanding Freshman and Most Inspirational Freshman, and a number of Freshman Captain, all Freshman, and Junior put up a good one. The team was successful.

The first basketball team was the 1967-68 team. The team was led by Mr. Honora, Tom Rothrock and John Adairham. Most Inspirational Jim John, and Captain Dennis Johnson, and Allen Luginbell, ended just short of the title fight.

At the same time Varsity and Bee football teams were playing, The CHS Cross Country team was in its glory with TCL Championship. From this team - Bob Alexander, John Ganahl, Dean Hacker, Jim Hadley, John Gallardo, Tim McKierman, Tom McKiernan, and John Willis, John Willis Made State Finals and placed eleventh.

Our second sport basketball saw more victories than our first. In the varsity team Honorary Captain Bob Rothrock, Honorary Captain awarded to Lynn Klassart, and Steve Taylor, and TCL Champ Earl Grizzle, as well as many other boys who put forth spirit and energy, to bring those needed scores.

To you, the Lettermen of 1968, we dedicate this page. However, this title includes all the boys who played, but all glory on the teams. We'll never forget you "Parallax Men".

ADVERTISEMENTS

Without the greenery of this
Money tree,
Our Coronal could never be.

IT'S A LONG WAY

From Planting to Package

or

From Kindergarten to College

but

The knowledge and ability acquired in between sets the course of the future.

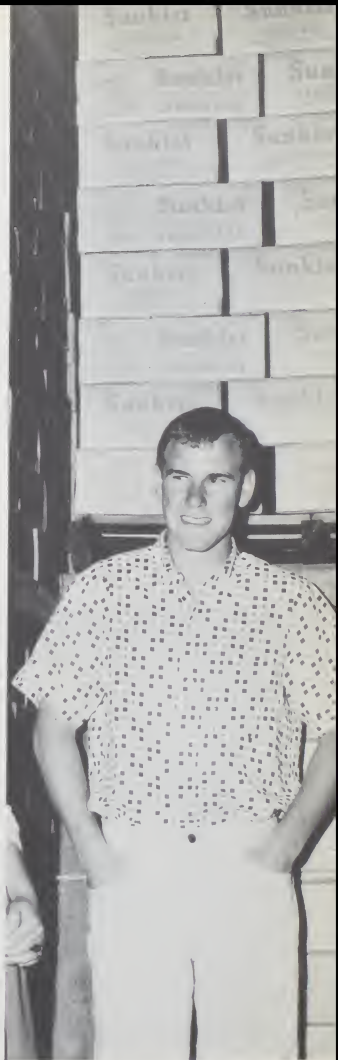

Our best wishes to CHS students that their future will bring them success and satisfaction as they take their places in preserving and improving our Constitutional Republic and its free enterprise system

CHEESE

AFTERWORD

In this "62" Coronal we have tried to capture one year of the life of a Panther.

Now that it is complete we would like to thank all those involved in the production and tell you a little about the personal traits of each member of our Coronal Staff.

Our thanks to Linda Smith, who held a grudge because the theme wasn't surfing; Gail Pierce, with La Pouff hair cut and her Girl's League headaches; Kathy James, who's artistic talents helped in between G.R.A. meetings;

Nancy Lee, the only typist of the bunch (Thank goodness for Donna Benson, Dependable, courageous and bold; Pam Nutter, who agreed with everyone; Linda Carroll and her brain storms and poetic ability (ahem!); and last but not least Charma Moreno, a Sophomore. And special, special thanks to Mr. Polly who was the foundation of the Coronal.

Helplessly yours,

CHRIS & Peggy
